

Newsletter January 2012

Greetings from Whisperwood

We hope the New Year brings good health, prosperity and happiness to all our friends in the year ahead.

Bass Fishing throughout 2011 was excellent in quality and quantity. The only exception in quantity was perhaps a period during late summer and early fall when the lake water was at its warmest. Last summers hot spell had the fish look for cooler waters in the deeper parts of the lake. The many years of our Guests practicing *catch, photograph & release policy* has really been paying off when you see the size and quality of the fish that are now coming out of the Lake. **"Big Healthy Fish make Happy Anglers"**. Take a look at our Big Bass Page on our website to see the many photos of Happy Whisperwood Anglers.

Bigger Fish > If you are looking for something different in a hard fighting fish, why not try some Northern Pike Fishing. Whisperwood is centrally location within the Belgrade Chain of Lakes with North Pond, Great Pond, Long Pond and Messalonskee Lake all within a few minutes drive from our doorstep. These bodies of water produce some of the best Northern

Pike fishing in the State of Maine. We can provide you with one of our Registered Maine Guides to help explore a great angling experience.

Family Vacation > Whisperwood is a great place to bring the family for a relaxing summer vacation. The 4th of July weekend Whisperwood normally changes from a totally fishing camp atmosphere to a more laid-back summer, relax around the waterfront atmosphere. Adults and kids enjoy swimming, boating, Kayaking and playing games. Relax as you read a good book in the sun or enjoy the evening sitting around the camp fire. Plan a lakeside family vacation today and let us take care of all your meals and make your bed for you. And yes, you can try your hand at fishing too!.

What's new in 2012?

We are presently working hard in preparation for the 2012 season. This year **opening day will be Friday, May 11th** and we will be **closing on Sunday September 23rd**. If you're in the process of planning your family vacation we hope you will consider Whisperwood and the Belgrade Lakes Region as your vacation destination.

There are some changes to our 2012 Rates. It has been a challenge trying to hold down our American Plan Lodging rates with the ever increasing food and energy costs. Please go to our website and click on the Rates page to view our current *American Plan Rates*. As always, we continue our commitment to quality service.

We will be sending out your deposit requests for those of you that already made your 2012 reservations. If you are in the process of planning your vacation for the 2012 season, please contact us as soon as possible to secure your desired dates

Family update ~ As some of our Whisperwood guests/friends know two of our sons have been deployed in the war zones this past year. Son James is in the U.S. Army's 1st Cavalry returned home from Iraq just in time to spend Christmas with the family. He and our daughter-in-law Morgan are now expecting the birth of their second child in February. Their daughter Kylie will be 5 years old on Valentine's Day. Looking forward to our fourth Grandchild!

Son Cameron of the U.S. Army's 10th Mountain Division is still stationed in Afghanistan on his 2nd deployment in that area. His group is scheduled to come home sometime in March or April of this year. His wife Renee is holding down the fort at home with Sean (6) and daughter Reagan (1). We are looking forward to having both our sons safely home in the good old U.S.A. God bless our troops and their families!

Daughter Mickelle just completed her first semester at the University of Maine at Farmington. She is enjoying College life and doing very well with her studies. Son Kegan is working at Sugarloaf Mountain in Maine and is making snow this winter while doing as much skiing as he can.
