

February 2014 News – Whisperwood Lodge & Cottages

With great sadness one of our long time guests Paul Hrdlicka passed away on February 18th. Our thoughts go out to Betty and the entire Hrdlicka family. We are not sure how many hearts Paul has touched but if you were lucky enough to be one of them, you know he was a very special man. He will be greatly missed by his many friends at Whisperwood.

Below is the link for more information.

Please join us next weekend Feb. 27th - March 2 at the World Fishing & Outdoor Exposition - Rockland Community College, Field House in Suffern, New York. We look forward to seeing many past and future Whisperwood guests at the show.

Warmest always,

Doug & Candee
