

Whisperwood – July 2011 Newsletter

July is Family Fun time & Big Bass too!

July is family time at Whisperwood and we love to see families big and small enjoy all that Maine and Whisperwood have to offer. Our waterfront provides lots of opportunities for swimming, exploring, kayaking, canoeing, boating, fishing and just plain old "relaxing".

July was filled with warm sun shining days and what a wonderful place for a family reunion for grandparents, parents and grandchildren or just an enjoyable vacation with your family - plenty of waterfront activities in the clean, refreshing waters of Salmon & McGrath Lakes to enjoy.

If you are considering a family vacation, please keep us in mind. There are plenty of activities for you and your children with many interesting things to do and see within just 45 minutes of us as well. Take a look at our **Area Attraction** page at:

<http://www.whisperwoodlodge.com/areaact.htm> and our **Activities** page at: <http://www.whisperwoodlodge.com/activities.htm> for more information.

Besides our Facebook page we created a Whisperwood Forum page you can access from our home page where you can stay in touch with what's going on and we hope you will take part with comments and replies about your Whisperwood experience.

August is filling up fast, so if you are thinking about visiting us, please call and confirm your cabin.

With a 6 lb. largemouth and 4.5 lb. smallmouth caught - plenty of great fishing in July

Your hosts and thank you,
