

Whisperwood Lodge & Cottages

April 2016 News

With our much warmer than normal winter, ice out was the end of March, more than three weeks earlier than last year. Certainly nice to see open water again and we know fishing will be outstanding for 2016 especially since the trout stocking program has gone very well and early and late season trout catching will continue.

however, as we approach the season we will be busy and if you have your favorite cabin and best time of year in mind, please make your reservations early so you won't be disappointed.

Those of you who enjoy the fun and competition of our Bass Tournaments can schedule accordingly.

We have plenty of cabin availability,
