Newsletter –October 2014

Greetings from Whisperwood

We hope everyone is getting a chance to take advantage of the beautiful Indian summer we are fortunate enough to have and enjoy.

Here at Whisperwood we are finishing up on the many chores of closing the camp for the winter season. The boats and the docks are now put away, the cottages and dining hall are all closed down and the many Oak leaves are now

covering everything in sight. Yes, fall is here and that means winter will soon be on its way!

Thank You!

We would like to extend our sincere thanks to the many guests who have spent their vacation time relaxing with us at

Whisperwood during the 2014 Season. Your patronage is greatly appreciated.

Great 2014 Season

The 2014 Season was outstanding as far as fishing numbers and quality of fish caught. Just take a look at the Big Bass page of our website for proof of all the fish stories. The 2014 season also saw the first 8 pound Largemouth Bass caught by a Whisperwood Guest. Hopefully just the first of many more caught in the coming years.

In memoriam:

On a sad note, the Whisperwood Family has lost a cherished member. **William "Bill" Miller** our resident friend and Whisperwood handyman has passed away after a year long battle with cancer. We send our deepest sympathy to Bill's wife Priscilla and the entire

Miller family. Bill will be missed greatly by all that knew him and especially his Whisperwood Family. Bill was much more than an employee. His special personality and friendship can not be replaced. Rest in peace our friend. Your memory will remain at Whisperwood for years to come.
