

WHISPERWOOD PET POLICY

Certain well-behaved pets are welcome here at Whisperwood. For all our guests to enjoy their vacation, we ask you to please follow our pet requirements:

- Always keep dog(s) on a leash. For the safety of all our guests as well as other dogs that may be on the property, this is very important to us.
- Keep dogs off from beds and furniture to prevent any damage to surrounding cabins, outdoor furniture, and structures.
- Walk dogs in the woods behind the cabins and along the edge of the property. Properly dispose of their droppings in the trash cans provided around the property. There are also shovels placed around the premises for your use.
- Keep your dog quiet, especially at night and early morning...your neighbors will appreciate it
- Don't leave your pets unattended in the cabin for long periods of time. Our staff will not enter a cabin with a dog left unattended even with your permission.
- Do not allow wet pets into the cabin until they are dried off with towels brought from home. Please do not use cabin towels.
- Do not tie your pet up and leave them unattended. Safety of all our guests is our top priority.
- No puppies, aggressive breeds**, or extremely large dogs (over 70 lbs.) are welcome.

**** Our insurance company prevents us from having "aggressive" breeds of dogs which include:**

- | | |
|---------------------------------------|--|
| 1. Pit Bulls & Staffordshire Terriers | 7. Perro de Presa Canario aka Canary Mastiff |
| 2. Doberman Pinschers | 8. Akita's |
| 3. Rottweilers | 9. Alaskan Malamutes |
| 4. German Shepherds | 10. Siberian Huskies |
| 5. Chows | 11. Wolf-hybrids |
| 6. Great Danes | |

I understand the Whisperwood pet rules and agree to follow them.
